Put on your old grey bustle and get out and hustle. For tomorrow the rent's coming due. Put your ass in clover, let the boys look it over. If you can't get five take two.

Put on those old pink panties that used to be your aunties, And we'll go for a tussel in the hay.

Now there's no use duckin' cause you're gonna get a fuckin' In the good old fashioned way.

Put on your old grey corset; if it won't, fit, force it, For the fleet is coming in today.

As the bees make honey, let your ass make money, In the good old fashioned way.

Put on that old blue ointment, the crabs disappointment,
And we'll kill those bastards where they lay.
Though it scratches and it itches, it will kill those sons-of-bitches
In the good old fashioned way.

#2

SALLY

Sally's in the alley sifting cinders Lifted up her leg and farted like a man Wind from her bloomers broke six winders Cheeks of her ass went BAM BAM BAM

### #3 THE BALLS OF O'LEARY TUNE: THE BELLS OF ST. MARY

The Balls of O'Leary
Are wrinkled and hairy
They're shapely and stately
Like the Dome of St. Paul
The women all muster
To see that great cluster
They stand and they stare
At that hairy great pair
Of O'Leary's Balls

### #4.

### I WANT TO PLAY PIANO IN A WHORE HOUSE

Oh I want to play piano in a whore house
That is my one desire
Some people may be bankers;
Or farmers out in Butte
I just want to play in a house of ill repute

Now you may think this strange, my advocation
But cardinal copulation's here to stay
I don't want fame or riches
I want to play for those old bitches
I want to play piano in a whore house

#### #5

### MARY ANN BURNS

Mary Ann Burns is the queen of all the acrobats
She can do tricks that will give a man the shits
Roll green peas up her fundamental orifice
Do a double back flip, catch'em on her tits
She's a great big son-of-a-bitch twice the size of me
With hair around her ass like the branches on a tree
She can SHIT, FART, FIGHT, FUCK, ROLL A BARREL, DRIVE A TRUCK
Mary Ann Bruns is the girl for me.

Passengers will please refrain
From flushing toilets while the train
Is standing in the station, I love you
As we go strolling through the park
And goosing shadows in the dark
If Sherman's horse can take it, why can't you

You're the guy that did the pushing
Put wet spots on the cushion
Footprints on the dashboard upside down
Ever since you met my daughter
She's had trouble passing water
Wish that you had never come to town

I'm the guy that did the pushing
Put the wet spots on the cushion
Footprints on the dashboard upside down
Since I met you daughter Venus
I've had trouble with my penis
Wish I'd never seen your God Damn town

### #7 UNCLE JOHN & AUNTIE MABEL TUNE: Hark the Herald Angels Sing

Uncle John & Auntie Mabel, fainted at the breakfast table, This should be sufficient warning, never do it in the morning,

Ovalteen has set them right, now they do it every night, Uncle John is hoping soon, to do it in the afternoon A-MEN

### #8 MY HOW THE MONEY ROLLS IN

My father makes rum in the bathtub My mother makes two kinds of gin My sister makes love for a living My God how the money rolls in

#### Chorus:

Rolls in, rolls in, my God how the money rolls in, rolls in Rolls in, rolls in, my God how the money rolls in

My brother's a poor missionary
He saves little girlies from sin
He'll save you a blonde for five dollars
My God how the money rolls (N)

My uncle paints real frenchy postcards
My auntie she poses for him
Her costume cost nary a penny
My God how the money rolls in

I tried making all kinds of whiskey
I tried making all kinds of gin
I tried making love for a living
My God the condition I'm in

#### Chorus:

Sin, Sin, Sin, Sin, My God the condition I'm in, I'm in Sin, Sin, Sin, Sin, My God how the money rolls in

My fater he died in the bathtub My mother she died in the gin My siter she married my brother MY GOD WHAT A MESS I'M IN There once was a maiden named Adeline Schmidt She went to the doctor cause she couldn't shit He gave her some medicine all wrapped up in glass Up went the window and out went her ass

Chorus: It was brown, brown shit falling down
Brown, Brown shit all around
It was brown, brown shit falling down
Covered all-over with SHIT, SHIT, SHIT
The whole work was covered

A hand some young copper was walking his best He happened to be on that side of the street He looked up so bashful, He looked up so shy And a great gob of shit hit him right in the eye

The handsome young copper, he cursed and he swore He called that young maiden a dirty old whore 'Neath London Bridge he is now forced to sit With a sign round his neck saying blinded by shit

#### SAMMY SMALL

Oh, my name is Sammy Small, Fuck'em all
Oh, my name is Sammy Small, Fuck'em all
Oh, my name is Sammy Small, and I've only got one ball
But that's better than none at all, so fuck them all

Oh, they say I killed a man dead, fuck'em all
Oh, they say I killed a man dead, fuck'em all
Oh, they say I killed a man dead, with a fucking piece of lead
Now the silly fucker's dead, so fuck them all

Oh, they say I've got to swing, fuck'em all
Oh, they say I've got to swing, fuck'em all
Oh, they say I've got to swing, from a fucking piece of string
What a silly fucking thing, so fuck them all

Oh, they say I greased the rope, fuck'em all
Oh, they say I greased the rope, fuck'em all
Oh, they say I greased the rope, from a fucking bar of soap
What a silly fucking joke, so fuck them all

Oh, the parson he will come, fuck'em all
Oh, the parson he will come, fuck'em all
Oh, the parson he will come, with his tales of kingdom come
He can shove them up his bung, so fuck them all

Oh, the hangman wears a mask, fuck'em all
Oh, the hangman wears a mask, fuck'em all
Oh, the hangman wears a mask, for his silly fucking task
What a silly fucking ass, so fuck them all

Oh, the sheriff will be there too, fuck'em all
Oh, the sheriff will be there too, fuck'em all
Oh, the sheriff will be there too, with his silly fucking crew
They have fuck all elso to do, so fuck them all

I see Molly in the crowd, fuck'em all
I see Molly in the crowd, fuck'em all
I see Molly in the crowd, and I feel so fucking proud
That I'm shouting right out loud:

OH, FUCK'EM ALL

When I was young and sweet sixteen
I met a girl from New Orleans
Oh she was young and pretty too
She had what you call a ring=dang-doo

A ring-dang-doo, pray what is that It's round and soft like a pussy cat It's round and soft and split in two That's what you call a ring-dang-doo

"CHORUS"

She took me down into the cellar
She said I was a very fine feller
She gave me wine and whiskey too
And she let me play with her ring-dang-doo

She took me up into her bed
She placed a pillow beneath my head
And them she took my hickey-floo
And placed it in her ring-dang-doo

Now six months later she began to swell She swelled and swelled till she looked like hell She told her ma and father to That I took a crack at her ring-dang-doo

Her father said you filthy whore You've gone and lost your maidens lore Pack up your bag and your nighty too And make your living from your ring-dang-doo

She went to the city to become a whore She hung a sign upon her door Five dollars now nothing else will do To take a crack at my ring-dang-doo

And the fellers came and the fellers went And the price went down to fifteen cents Fifteen cents and nothing else will do To take a crack at my ring-dang-doo

And then one day a son-of-a-bitch He had the crabs and the jockey itch He had the syph and diarrhea too And he took a crack at her ring-dang-doo

They hung her tits in the city hall They pickled her ass in alcohol Now all you bums and hobo's too You/ve heard my tale of the ring-dang-doo

So they buried her near the city hall And they engraved upon the wall She's learned her lesson and you should too Just stay away from the ring-dang-doo

There once was girl named Sara McFox With hair on her chest and cheese in her box She married a man named Patrick McCall With a very short peter and no balls at all

Chrous: No balls at all
No balls at all

A very short peter and no balls at all

The very first night that they were wed
They took all their clothes and went straight to bed
She reached for his pecker, it was very samall
She reached for his balls, he had no balls at all

Now mother dear mother oh what shall I do?
I've married a man who never can screw/
I reached for his pecker, it was very small
I reached for his balls, he had no balls at all

Oh daughter dear, daughter don't be sad
It was the same trouble I had with your dad
The daughter went home, took her mothers advice
And found the results most exceedingly nice
A bouncing young baby was born in the fall
To the wife of a man who had no balls at all.

### NELLY DARLING

Oh your ass is like a stovepipe Nelly Darling
And the nipples on your tits are turning green
There's a willion trabs abounding on your tutty
You the ugliest fucking bitch I've ever seen
There's AN codor of Blue OINMONT ROUND Your PUSSY
There's a yard of lint protruding from your navel
And when you piss you piss a stream as green as grass
There's enough wax in your ears to make a candle
So kindly make one dear and shove it up your ass

#14

KOTEX, SONG: TUNE: Caissons go Rolling Along

You can tell by the smell that she isn't feeling well
When the end of the month rolls around
Now she turns, how she squirms, how she gets a case of worms
When the end of the month rolls around
For it's hi, hi, hee in the Kotex industry
Call out your sizes loud and strong
Super-Junior-Band-Aid
For where ere you go, the blood will always flow
When the end of the month rolls around

### THE TWELVE DAYS OF CHIRSTMAS

On the 1st day of Christmas my true love gave to me:

A hand job in a pear tree Two brass balls 2nd day Three french ticklers 3rd day Four cock suckers 4th day 5th day Five Mother Fuckers Six sacks of shit 6th day Severn scrotums swinging 7th day Eight assholes itching 8th day 9th day Nine nipples nibbling Ten titties tingling 10th day Eleven lesbians licking 11th day Twelve twats a twitching 12th day

An airman told me before he died
And I don't think that the bastard lied
That he had a wife with a cunt so wide
That she could never be satisfied

So he invented a prick of steel
Driven by a bloody great wheel
Two brass Balls all filled with cream
And the whole fucking issue was driven by steam

Round and round went the bloody great wheel

In and out went the prick of steel

Until at last the maiden cried, In and out until size; cried, Enough, enough, I'm satisfied

But not we come to the bitter bit
There was no way of stopping it
She was split from her ass to her tit
And the whole fucking issue was covered with shit

#17 TIE MY PECKER AROUND A TREE TUNE: Chisolm Trail

Reached in my pocket, pulled out a penny She said boy you can't have any

Chorus: Come and tie my pecker to a tree, to a tree Come and tie my pecker to a tree

Reached in my pocket, pulled out a nickel She said for that you don't even get a tickle-

Reached in my pocket, pulled out a dime She said young man you're wasting your time

Reached in my pocket, pulled out a quarter She said young man I'm a preachers daughter

Reached in my pocket, pulled out a half She said young man you make me laugh

Reached in my pocket, pulled out six bits All she did was wiggle her tits

Reached in my pocket, pulled out a buck She said young man you've bought a fuck

Took her to the kitchen, laid her on the sink Oh my God how her pussy did stink

Fucked her sittin', fucked her lying'
If I'd had wings I'd fucked her flying

I awoke in the morning, and guess what I saw Fifteen crabs and big blue ball

I went to the a doctor, cause my pecker was sore My God said the doctor you've been taken by a whore

And now you can see, I'm a peckerless man I fuck'em with my finger and fool'em when I can

The liquor was spilled on the barroom floor
And the bar was closed for the night
When out of a hole came a little brown mouse
And sat in the pale moonlight
He lapped up the liquor on the barroom floor
And back on his haunches he sat
And all night long you could hear him roar:
"BRING ON THE GOD DAMNED CAT!!!"

#### #19

#### THE LADY IN RED

'Twas a cold winter's evening, the guests were all leaving O'Leary was closing the bar When he turned and he said to a lady in red "Get out, you can't stay where you are" She wept a sad tear in her bucket of beer As she thought of the cold night ahead When a gentleman dapper stepped out of the crapper And these are the words that he said:

Her mother never told her
The things a young firl should know
About the ways of Air Force men
And how they come and go, mostly go....
Now age has taken her beauty
And sin has left its sad scar
So remember you mothers and sisters, boys
And let her sleep under the bar.

#### Chorus:

They call it that good old mountain dew And them that refuse it are few I'll hush up my mug if you fill up my jug With that good old mountain dew

My bother Bill has a still on the hill-Where he runs off a gallon or two The birds in the sky get so drunk they can't fly Just from smellin' that good old mountain dew

#### BLESS'EM ALL

Bless'em all, Bless'em all
The long and the short and the tall
Bless all the instructors
Who taught me to fly
Sent me up solo and left me to die
So if ever your blow jet should stall
You're due for one hell of a fall
No lillys or violets for dead fighter pilots
So cheer up my lads, Bless'em all

Bless'em all, Bless'em all
The long and the short and the tall
Bless all the sergeants
The sour puss ones
Bless all the corporals and their dopey sons
Cause we're saying good-bye to them all
The long and the short and the tall
There'll be no promotions this side of the ocean
So while we are here, Bless'em all

Oh if all little girls were like fish in the ocean And I were a whale I would teach them emotion

Chorus: Oh roll your leg over, Oh roll your leg over Oh roll your leg over the man in the moon

Oh, if all little girls were like bells in the tower And I were a clapper I'd bang by the hour

Oh, if all little girls were like fish in the river And I were a sandbar I'd sure make them quiver

Oh, if all little girls were like sheep in the pasture And I were a ram I'd make them run faster

Oh, if all little girls were like little white rabbits And I were a hare I would teach them bad habits

Oh, if all little girls were like little red vixens And I were a fox I surely would fix'em

Oh, if all little girls were like Hedy Lamarr I'd try twice as hard and get twice as far

Oh, if all little girls were like cows in the clover And I were a bull I would chase them all over

Oh, if all little girls were like little white flowers And I was a bee I would buzz them for hours.

Oh, if all little girls were like little white chickens And I was a rooster I'd give them the dickens

Oh, if all little girls were like little old turtles And I was a turtle I'd get in their girdles

Oh, if all little girls were like Bypsy Rose Lee And I were her G/string oh boy what I'd see

Oh, if all little girls were like nurses who would And I were a doctor I would if I could

Oh, if all little girls were like bricks in a pile And I were a mason I'd lay them in style

Oh, I wish that all girls were like fish in a pool And I were a chap with a waterproof tool

# #24 SHOW ME THE WAY TO GO HOME

Show me the way to go home
I'm tired and I want to go to bed
I had a little drink about an hour ago
And it went right to my head
Whereever I may roam
On land or sea or foam
You will always hear me singing this song
Show me the way to go home

Indicate the way to my abode
I'm fatigued and I want to retire
I had a spot of beverage sixty minutes ago
And it went right to my cerebeelum
Wherever I may perambulate
On land or sea or atmospheric vapor
You can always hear me crooning this melody
Indicate the way to my abode

Oh it's beer, beer, beer
That makes you want to cheer
In the Corps, in the Corps
Oh it's beer, beer, beer
That makes you want to cheer
In the U.S. Air, U.S. Air Force

Chorus: My eyes are dim, I cannot see
I have not brought my specs with me

Whiskey - That makes you feel so friskey
Gin - That makes you want to sin
Vodka - That makes you feel you oughta
Sautern - That makes your belly burn
Vermouth - The makes you feel uncouth
Bourbon - That makes you feel like chirpin'
Wine - That makes you feel so fine
Rum - That makes you feel so dumb
Rye - That makes you feel so sly
Brandy - That makes you feel so dandy
Likker - That makes you ever sicker
Sherry - That makes you feel so hairy

Now this is number one and the song has just begun

#### CHORUS

Roll me over, lay me down, and do it again Roll me over in the clover Roll me over, lay me down, and do it again

Now this is number two, and he's got me in a stew.

Now this is number three, and his hand is on my knee.

Now this is number four, and he's got me on the floor.

Now this is number five, and his hand is on my thigh.

Now this is number six, and he's got me in a fix.

Now this is number seven, and I think I am in heaven.

Now this is number eight, and the doctor's at the gate.

Now this is number nine, and the twins are doing fine.

Now this is number ten, and he's started once again.

#### #27

### I LOVE MY WIFE

I love my wife, yes I do, yes I do
I love her truly.
I love the hole that she pisses through.
I love her tits, tiddly-its, tiddly-its
And her little brown asshole.
I'd eat her shit - gobble, gobble
Chomp, Chomp
With a rusty spoon.

#28

#### THE DILL DO

What is a Dill Do Daddy?
Asked my young daughter aged 9
A Dill Be my chilck
Is a property prick
About 5 times the size of mine

Your mother got one for Christmas
It hung on the Christmas Tree
Now she has it away
About 5 times a day
And she don't give a fuck for me

Way out in Korea
Is a place called the Kun
If I never see it agin
It will be to soon

The guys at Randolph
Sent me to this Wing
They said son you'll like it
It's career broadening

So come you young fellas
And listen to me
I'll sing you a sad song
Of Kunsan by the sea

The summers are hot there
And ripe Kim Chee tastes swell
The paddies are growing
They stink like hell

SAIGON CITY TUNE: Sweet Betsy from Pike

Here's to old Saigon, it's a hell of a place
The way things are run is a frigging disgrace
There's Captains, and Majors and Lite Colonels too
With their thumbs up their asses and nothing to do

They stand on the flightline
and scream and they shout
They scream about things they
know nothing about
For all the good they do, they
might as well be
Shoveling Shit on the Isle of Capri

It's up in the morning and
to the latrine
It burns when I pee cause
I've been with a queen
I've got it bad, and I'm
telling you
If you don't quit "short timing"
you'll have it too

when this year is over we'll
all go back home
Back to our round-eyes and
never more roam...
To hell with old Saigon and
her misery (())
To hell with old Saigon and
all her VD.

The winters are cold And the wind it does blow You sit down in Silver Town Theres no place to go

The Yo's down in A Town Make the time pass away For 4,000 Won You're a lover all day

Oscar and OB
Help ease the pain
Better have another
It's past midnight again

One day it will happen The 3 holers for me And I'll never remember Old Kunsan by the Sea I had a little girl down in Baltimore
But the funk from her drawers knocked me flat on the floor
CHORUS: She's a rottem motherfucker and I love her so
She's my little girl from Baltimore
Why do the drums go boom-diddy-boom-diddy?
Why do the drums go boom-diddy-boom-diddy?
Why do the drums go boom-diddy-boom-diddy?
Why do the drums go boom?

Well...I took her to the chruch just to meet all the people But the funk from her drawers knocked the cross off the steeple

Well...I took her to the store just to buy some peas But the funk from her drawers knocked the clerk on his knees

Well...I took her to the form just to get a job But the funk from her drawers knocked the corn off the cob

Well...I took her to the movie but the crowd got mad When the funk from her drawers knocked the flick off the screen

Well...I took her to the beach man she was a dish But the funk from her drawers knocked the scales off the fish

Well...I took her to the club for a bite to eat But the funk from her drawers burned a hole in the seat

Well...I took her to Korat just to meet the Thais But the funk from her drawers brought the tears to their eyes

Well...I took her to the field just to watch me fly But the funk from her drawers knocked my Thud from the sky

Well...I took her down to Veenas but they started bitchen When the funk from her drawers drew the flies from the kitchen

Well...I took her to my hooch cause I thought I's score But the funk from her drawers burned the paint off the door

Well...I took her to the park just to roll in the grass But the funk from her drawers curled the hairs on my ass

Well...I took her to my room and I started to hunch But the funk from her drawers made me blow my lunch

Well...I slipped it up her tubes and I tried to coat'em But the funk from her drawers peeled the skin off my scrotum

Well...I fucked her on the floor man it was a feeling When the funk from her drawers stuck my ass to the ceiling

Well...I paid her fifty bucks cause it was a thrill But the funk from her drawers wiped the ink off the bill

Well...They took my little girl to the police station Said the funk from her drawers was a threat to the nation

Well...They took her to the court for speedy trial But the funk from her drawers laid the judge in the aisle

Well...They locked her in a jail but she's doin well Cause the funk from her drawers killed the rats in her cell

Well...I lost my little girl but I didn't mind Cause the funk from her drawers nearly made me blind Prelude: There was a ball a bloody great ball, the ball of Kerrie Muir Four and twenty prostitutes shaggin on the moor

Oh the king was in his counting house, counting out his wealth The queen was in the bedroom, playing with herself

Chorus: Singing I'll do ye this time, I'll dee it noo The mon that did it last night, could na do it noo

Oh the bride was in the bedroom, explaining to the groom The vagina not the rectum, is the entrance to the womb

Oh the parson's wife she was there, seated down in front A wreath of roses round her neck, a carrot up her cunt

Oh the village parson he was there, and very surprised to see Four and twenty maidenheads hanging from a tree

Oh the parson's daughter she was there, she had them all in fits Diving off the mantlepiece, and landing on her tits

They were fucking in the haylofts, fucking in the oats Some were fucking sheep and some were fucking goats

The were fucking in the barley, fucking in the ricks You couldn't hear the music for the slushing of the pricks

Oh the village blacksmith, he was there, his hammer and his awls Talking to the queen and showing off his balls

They were fucking in the parlors, fucking on the stairs You couldn't see the carpets for the come and curly hairs

OR ELDER
The village idiot he was there, a making like a fool
Pulling his foreskin over his head and whistling throught his tool

Plowman Jock he was there, the bugger wouldn't dance Sitting with a hard on, and waiting for his chance

A NIGHT IN KUNSAN KOREA

A little shade of light,
A bed with sheets so white:
A little light, a quiet room,
A little loving in the gloom;
A pair of hips, so warm and wet,
A little whisper "Please Not Yet";
A little pillow for the head,
Slipped beneath the hips instead.

A little effort to begin,
A little help to get it in;
A little arm that grips me tight,
When I ask, "Does it feel alright".
She smiles and says, "It feels so good",
And I reply, "I knew it would".

Two little legs around me wind, Two little slanty eyes look into mine; A little movement to and fro, A little whisper, give me more.

Two little hearts beat as one, Two little lovers having fun; A little hunch, A little sign, A little question, "You Cum Yet GI".

A little effort to repeat,
A little spot upon the sheet;
A little shower when your through
A little drink, maybe two.
Finally

A little sleep and then, A little breakent at half-past ten Then you arise and put of your hat, Look back and say - GOOD GOD, DID I SCREW THAT. Now don't move over stanger That ain't shit on your seat I just got in from the west And thats mud on my feet

I just got in from the west With tales wild, wooly and bold And some of those stories stanger, Just gotta be told

Now sit a spell if you will And I'll spin you the yarn about Rangy Lil

Now Lil was a school teacher before she came west But she gave that up, cause she liked fucken best And When she fucked she fucked for keeps And piled her victims up in heaps

It was a standard bet around our town That no man alive could fuck Lil down

Now out of the bottom of Bare Ass Creek Came a Barrel Bellied Bastard named Piss Pot Pete Who boasted 18 pounds of that swinging meat

And when he laid it on Murphy's Bar It strecked from Har to Thar And stink - My God

Now old Lil know she'd met her fate
But to call the bet was a little too late
The time and place was set by Lit
In front of the Shit House on Duffy's Hill

The people gathered from the county seat To see the half-breed sink his meat Old Lil, she tried hops, skips and jumps And other tricks unknown to common cunts

But alas she missed a stroke And the half-breed pinned her before she broke The country side was tore up for miles around, Where old Lils ass had drug the ground

They hung her skivvies on the shithouse door To commemerate the plucky whore And when the half-breed left the town They all said - Thars the man that fucked Lil down

LOAST

May all your friends forsake you.
And corns grow on your feet
And crabs as big as cockroaches
Crawl on your balls and eat

And when your old and gray
And just a syphilated wreck
I hope your head falls through your ass
And breaks your fucking neck

Mere's te you and here's to me Many we never disagrel, But if we do, puck you, and were's to me. A bunch of the boy's were whooping it up in one of those Yukon halls The piano player sat against the wall a quietly scratching his balls The Fargo Kid had had his hand on the box of the Lady thats knon as Lu And there on the floor on top of a whore was Dangerous Dan McGrew

Then out of the night as black as a bitch Came this raunchy old prick just in from the crick With a dangerous gleem in his eye His pants were split and covered with shit And he gazed round the room with a sigh

The lights went out and I dove to the floor as the stranger sprang in the night His aim was true, the sparks they flew there were moans and groans to my right The lights came on and the stranger arose with a satisfied grin on his pan And there on the floor with his asshole tore was poor old, Cornholed, Dan

### CALL OUT THE ARMY AND THE NAVY

Monday I touched her on the ankle
Tuesday I touched her on the knee
Wednesday with success, I lifted up her dress
Thursday, her chemise, Gor Blimey
Friday I put my hand upon it
Saturday she gave my balls a tweak
And Sunday after supper, I rammed the old boy up her
And now I'm paying seven bob a week, Gor Blimey

I don't want to join the ATTY

I don't want to to to war

I just want to hang around

Picadilly around

Living off the earnings of a high born lady

Don't want a bullet up my arse hole

Don't want me buttocks shot away

I'd rather be in England

In jolly, jolly England

And fornicate me bloody life away.

Call out the army and the navy
Call out the rank and file
Call out the royal territorials
They face danger with a smile
Call out the boys of the old brigade
That made old England free
You can call out me Mother
Me sister and me brother
But for God's sake don't
Call me, Gor Blimey.

#### CATS ON THE ROOF TOP

The hippopotamus, so it seems, Seldom if ever has wet dreams But when he does, he comes in streams As we revel in the joys of copulation.

Chorus: Cats on the roof tops, cats on the tiles
Cats with the syphillis, cats with the piles
Cats with their assholes wreathed in smiles
As we revel in the joys of copulation.

Down in the Pampas, down in the grass, Mama armadillo has an iron bound ass But, papa armadillo has a prick of brass As we revel in the joys of copulation.

Way down south where the alligators roar,
There isn't such a thing as an alligator whore
'Cause all the alligators are too sore
As we revel in the joys of copulation.

Oh, the elephant is a solitary bloke Who seldom ever gets a poke, But when he does, he lets it soak As he revels in the joys of copulation.

Oh, the ostrich is a funny old dick.
It isn't very often that he dips his wick.
But when he does he dips it quick.
As we revel in the joys of copulation.
